

AHA Back to Back OPEN SHOW P.M. Saturday 12th July 2014

Thank you to the officers and committee for such a warm welcome. To my stewards for being so efficient and looking after me so well keeping everything moving along and of course for the lovely entry and having the honour of judging your hounds who coped very well in the heat (and handlers) but by the end of the day the weather was beginning to take the edge off some performances which is understandable but could make a difference to placing on another day. Being the second show as well didn't help but well done to you all. One disappointment was finding some bad mouths which need to be watched.
