DOGS – Judge Mrs A Wilcox (Alaqadar Afghans, Australia)

I am delighted and honoured to have been awarded the opportunity to judge the AHA 68th Breed Championship Show. I would like to thank the committee and show managing team for their professional organization, and in particular the efficiency of my ring stewards. I was extremely impressed with the overall depth of quality. It was pleasing to judge the many exhibits with excellent head, expression, topline, croup and tail set.

I looked for dogs which stood firmly on four feet, not required to be pulled or pushed into shape. The young handler with my Dog CC excelled in this. I requested the dogs be shown on a loose lead as the head held up with a tight lead can restrict the gait and natural head carriage is unable to be assessed. Unfortunately many of the exhibits were unfamiliar with moving on a loose lead. Dogs were generally well presented but many lacked muscle tone which I found disappointing and surprising. Tails were a concern with some showing little to no indication of a ring whilst others were soft and tending to bounce on the back whilst on the move.

Veteran Dog.

Sarakhan Sirocco JW. Black masked gold, lovely breed type with good top line and excellent croup and tail set. Nice head and expression, well presented and moved well.

Minor Puppy Dog

- 1.Khamis Aequitas At Eweyisska 7 month old white puppy with balanced outline on the stack, good topline croup and tail. Nice head and expression .A challenge to his handler on the move. Should be interesting in the future.
- 2.Kouros Tell Me On A Sunday (Imp. ITA) 8 month old blue puppy, lovely on the move, good head with dark well shaped eyes. His one white leg was a distraction to me today but this may blend in to his coat colour with age. A lovely puppy but I preferred the balance of number one.
- 3. Gilari Rosso Corsa 7 month shaded masked gold puppy. Houndy youngster with good head and expression. Easy on the move although a little unsettled which is typical for this age. Would prefer more indication of a ring in his tail.
