

AFGHAN HOUND ASSOCIATION

“MEMOIRS, MENTORS & MAYHEM”

SATURDAY 21st APRIL 2018 – after the AGM

CHIEVELEY VILLAGE HALL, BERKS RG20 8TE

And now for something else completely different..... Come along and join in..... Will not start before 11.00 am

An informal day - historic archives and information on our sighthounds – coffee with old friends and new, hopefully our regular supporters of these annual lively events plus new faces with a special welcome to anyone considering the Mentoring programme of the JCF. What exactly is this MENTORING ? Exactly how is it going to be carried out in the new KC JCF programme ? By the end of the morning we hope to have the answers ! But are our mentors going to be able to try it out for themselves ? By the end of the afternoon the answer should be Yes ! The afternoon will, as usual, be action packed with fun classes, chances for you to try your hand at “judging” and yet another new venture – “fun-obreedience” (no previous experience necessary for any of these). Plenty of opportunity for young people to have fun with this so bring them along ! This event follows last year’s well supported day. Come along and have a great time.
