

Thank you for the invitation, it has been such an honour for me judging a show organized by this historical and prestigious afghan hound club. I would like to thank all the exhibitors who have trusted me to the point of bringing me so many dogs. I found well muscled and well behaved Afghans, which is a remarkable feature I always look for. I am glad with the winners and pleased with the great number of beautiful veterans I could appreciate in their best condition. It was quite a perfect day overall!

Thanks again for your presence despite the hot day.
