

AFGHAN HOUND ASSOCIATION
"KEEPING YOUR EYES WIDE OPEN"
SATURDAY 20th APRIL 2019 after the AGM

CHIEVELEY VILLAGE HALL, BERKS RG20 8TE

And now for something completely different..... Come along and join in.....
Will not start before 11.00 am

An informal day with old friends and new, hopefully our regular supporters of these annual lively events plus a special welcome to new faces. This year we decided to be serious so we have arranged one of the Seminars which are required for our judges, "Confirmation and Movement" led by our guest Prof. Steve Dean

But we could not resist having some fun after our usual splendid lunch. So everyone is invited to try our version of "An Eye for a Dog" and use the morning's education. Can you describe what you see and can we find some interesting canine friends for this purpose.

Prizes for the most accurate, original, amusing, and totally confused descriptions. All a mystery – come along and see what happens. This event follows last year's well supported day. Join us, have a great time and take home Certificates of Attendance for your records.
